Check out our fitness center facilities to see where you will spend time keeping your body in shape after keeping your mind in shape in class. Hop on the shuttle (it will stop outside of the University Center) or head down on your own for a brief tour.

9:00am-4:00 pm

Widener Bookstore Open

Stop by the bookstore while you are on campus today to get some gear to show your Widener Pride!

The following sessions are available to learn more about your experience at Widener!

Academic Support Services

11:15–11:45 am in University Center, Room C

Learn more about disability and other support services available to you as a Widener student.

Admissions, Scholarships, and More

11:15–11:45 am in University Center, Webb Room

This whole Widener thing sounds great! What are my next steps to become one of these awesome Widener students? Come to this session to learn directly from the Admissions staff how to apply, what scholarships are available, and what you should be doing in the coming months.

Financing Your Widener Education

11:15-11:45 am or 12:00-12:30 pm in Founders Hall, Room 109

A representative from Financial Aid Services will discuss ways in which you can use financial aid, loan options, and the payment plan to finance a Widener education.
Honors Program in General Education
11:15–11:45 am or 12:00–12:30 pm in University Center, Room A
Meet the Director of the Honors Program and current HPGE students to learn more about what it means to be an Honors student at Widener.

I'm Admitted! What's Next?
12:00–12:30 pm in University Center, Webb Room
So you've been admitted (congratulations!) and now you're wondering what to do now? Attend this session with an Admissions staff member to break down the next steps in the process towards attending classes at Widener on August 26th. We'll cover everything from viewing your financial aid award, what to expect at Accepted Student Day, ways to interact with your fellow incoming students, submitting your enrollment deposit, applying for housing, attending summer registration, etc.

Living at Widener
11:15–11:45 am or 12:00–12:30 pm in Grasselli Residence Hall (just ask, we can get you there!)
Hear directly from a member of our Residence Life team about on-campus living at Widener. Parents, we think you should attend this session to speak to the actual people who will be there for your student when you can't be. We know you have questions. Students, you can come too to ease some of your fears about living away from home. The best part, this session takes place in the lounge of one of our first-year residence halls!

Transfer Talk
12:00–12:30 pm in University Center, Room C
Are you considering a transfer to Widener from another college or university and have questions about the process and experience of transfer students? Attend this session to hear directly from both admissions and current Widener students who have made the transition. It may also be your first opportunity to connect with some of your future classmates.

Widener Pride Athletics
1:00–1:30 pm in University Center, Webb Room
Do you want to be a part of our (athletics) Pride? Here you will meet one of our coaches to discover the demands of being a Division III athlete at Widener. (Please note: you may not be able to meet with the actual coach of your sport, but you will have the opportunity to meet a coach of one of our teams.)

Thank you for attending Widener Day today. We genuinely appreciate you taking the time to learn more about Widener. The admissions team will be around throughout the program to assist you with your questions, comments, or concerns, so please don’t hesitate to ask! A survey will be sent out after the event, so let us know about your experience. We look forward to working with you through this (sometimes stressful) process. If you forget to ask about something today, you can certainly ask later via phone at 610-499-4126 or email at admissions.office@widener.edu.
